- Oh, avon's, what great eyes you have!
- So much for you. He promised his grandmother to speak to no stranger on his way. For the conquest of our proportion, the foundation is organized and develops initiatives through its different projects. The door is open, " answered her amp. To punish the wolf, the catech was filled him
     eThe stone belly and then closed it again. Old and wooded. The little red exhaust took heavy subs. Meanwhile, the wolf went to the Vovan house, called the door and the old woman opened it "thinking she was a small red riding hood. Registered in Secroactive. The girl had to cross the forest to get to her grandmother's house, but she was not scared because there were always many friends: padassar, squirrels "suddenly saw the wolf, very in front of her and ask her: where are you going?
-The, Mom, he said again saying Adi with his small mother as she walked away. One day the little red hood told him, "Mother daughter, your grandmother is sick." Each time she took a shoight that she was even more beautiful, and she ran to him, going to the future and entering the forest. One day his mother and asked him to take some cakes to the grandmother who lived across the forest, recommended that he did not hand the road because crossing the forest was very dangerous, because he was always chasing the wolf. The ample and the little red hood, they were alive. While the Stones thought a lot, I Ca  "in Lagoa da Cabeça and drown me".
- Who cares? They filled the wolf's belly with them, and when he woke up and tried to escape, the stones were so heavy that he fell dead. For my grandmother's house, the child said, the wolf thought it was not far away. When the animal came to her grandmother's house, she knocked on the door. Here is the cake pieces and a bottle of wine. From now on, the careful recommendations of your grandmother and your mother will be. Born in 2012 as a Solidarity Project of the Mother Group   Dia, a Web Design and Development Company and applications based in Santiago de Compostela, which in the year 2020 produces all its applications for the good of constituting the foundation with the Pumpprint. The innocent girl thought it was a fun idea and nodded. Small red exhaust
     eThe basket with the cakes and left. She is sick and weak, and they are good.
- Oh, avon's, what a great way you have!
- Much better to grasp it!
- Oh, avon's, what is a terribly big mouth you have!
- Much better to eat you!
And with that he Out of bed, he jumped over the poor poor red equation cover and ate it. Although the original is a story that is far from the version we know today, it was transmitted from mouth to inhabitants of Germany and Franc a, that was its popularity that reached Varies Generations without being collected by written. Little Red Riding Hood and the avre's live. I come to visit it and bring some rich candy to snack. In addition to being a lot of fun for them and encouraging them to be interested in reading, this is a good way to alert their children from the danger of talking to strangers. When the little red hood, he leaves home, his mother, with a little gesture, made a warning: be very careful, expensive. Then he put the nightgown and the sleeping chapter and was among the symptoms waiting for the child to arrive. A catech that went through me I saw him all. Extra, he said:
- Avar , ample! You have eyes so big! "They should be better, the beautiful motto," the wolf replied, softening his voice. He entered and, in bed, was the wolf he had been falling for so long. The Original Red Capan's story with quite crucial scenes and oriented to prevent children from relying on strangers, the story was happening in the generation of generation with different modifications Themselves, since each one said the way they had said in their own infancy and each village knows close elements, so that the story was more popular and recognizable. I'm bringing you up and wine. "Eat, my dear," the wolf said the wolf pressed the lock, and the door opened. Her graduation loved Hery a lot, and she gave her a small bon   of red velvet. He behaves on his way and no way out of the way - the little red hood promised to obey the mother. I will not He thought the catech. Therefore, in addition to spending a fun time on Fum lla, we are helping children to learn languages. When the wolf woke up, "he felt a lot and went to a lake near drink. This last character is a subsequent incorporation, since in oral tradition, the child was devoured by the wolf, However, if we remember, we all remember the true?
Pictory is formed by a set of stories with pictograms, helping children to better understand their environment and stimulate and exercise language. Once a child Beautiful that always wore a red layer with a hood to protect from the cold. "The woman shouted. One day, her and her said to her, "Come the little red hood." Why do you not not look? It was the grimm sister in the nineteenth -year -old who reviewed the story and published a new version, much more like the one that reached our homes and which became universally known. Over the years, we have developed apps that help people with ASD or other types of communication distances in oral language. The story of Little Red Riding Hood as we know it today is the result of Charles Perrault's adaptation, which in the XVII Sou culo collects it to adapt and be able to include it in a collar History.
        A   the wolf said for the voice as if it were the grandmother. You are a kiss and take a long time to come back. Therefore, all called them red. Although the summary of Little Red Riding Hood in this verses look like the story we know today, it is still full of macabre scenes that are not suitable for children. The evil wolf entered the house and without thinking twice, jumped on the bed and ate the old woman. So, soon the wolf ended this tasty bite, I Back in bed, he fell asleep and began to snore loudly. I do a race to see who comes before. Do you look good? He made her a beautiful red cover and the girl took her so often that anyone called her red. And see how he puts himself happy!
  a  érences I am, mommy! I also really want to visit it, "said Little Riding Hood. If you come what appears, follow your way without stopping. The wolf devoured
     ght ample and disguise, en   o He entered the ample bed. Attack, a bark or any kind of bad guys ... that was a problem, already the grimm sister decided to include the wolf as a fantastic element in a story where animals speak, giving more childhood and similar sense to traditional morality. The child, giving a spasic, turned and saw that whoever spoke to him was a huge wolf.
"-", I have, although it is strange that the old woman was snoring so high, I decided to take a look. Little hood of red equation and her grandmother, with little hard falling on her cheeks, abrasion. This story and it was evolving and far from becoming the story we all read, the versions of those children of strangers, but with situations impossible to conceive today in children's literature. As he approached the bed, the little hood pair seemed that his grandmother was very changed.
- Asked the wolf - to my grandmother's house - and what are you carrying under your apron?
Avani! avoni! You have ears so big! They are better, honey. Small red hood in a small house near the forest. The man approached and saw that the animal had a very swollen belly, too much to be a wolf. The characters of Little Red Rounding Capuz in the adapted versions we know, especially we found that the characters of Little Red Little Riding Hood are M e E and Little Red Riding Hood, The Wolf and The Hunter or Leaver. reading.
